34. IHHT AALEN

A warm hello from Aalen!

Hockey-Club Suebia Aalen would like to invite you to our 34th edition of our IHHT on 9th & 10th November 2024

Women's + men's tournament

On the first weekend in November the Karl-Weiland-Halle (Friedrichstrasse 72, Aalen) gets the place to be for all, that go crazy for indoor hockey. Exciting games and an enthusiastic crowd will await you. Snacks and drinks for fair prices will be sold by our Suebia-family.

Motto party with DJ

Saturday evening the big tournament party will start. The party will take place in an old industry building called „Frapé“. Before the dancefloor gets opened a team dinner with all teams will be hosted at the same location. The motto of this year's party will be sent to you a few weeks before the tournament starts.

Aalen – „Oala“

In our lovely small city center the short distances are a big advantage. All locations of this year's tournament are within easy walking distance. For those who want to start their trip already on Friday, we offer a casual get-together in some pubs in our old town. All teams will get a hotel guide ahead of the tournament to plan their trip perfectly.
